Hi Grattan,

SKY TV have been in touch and are going to the Court tomorrow and will also be going back to Bulkington with the Travellers to do an extensive report on three eviction.

Also Cliff, John Lee, the MP, and Two residents of Bulkinton Village and also a member of planning, will be at the BBC Coventry Radio live program on Monday Morning. The program will be a live debate on the full issue of Travellers getting homes and permission and should be interesting listening. The program is running for an hour.

Open Country Radio 4 Program on Saturday is featuring the story of what is becoming known as the Battle of Bulkington.

I have asked John Lee to contact the police and ask for police protection for the women and children while the men are in London at the court hearing. And what makes this even more scary Grattan, is the Young Woman found murdered at Stratford is a Gypsy Girl,

This has put fear in the Travelling community again to think a member of the community has been murdered. I believe she is one of the Neddicks a dark skinned family from the West Midlands.
